Continuation of Substance of Interview including description of the general nature of what was discussed: The examiner contacted the applicants representative to discuss a proposed amendment. Specifically, the examiner proposed adding the limitations of claim 8 to claim 1 and the limitations of claim 13 to claim 10. Further, the examiner suggested cancelling claim 12 to avoid a new matter issue. Finally, the examiner suggested that if the amendment were made that claims 8, 11 and 13 would also need to be cancelled because they would be redundant.
